TO STOP FRAUD™

Romance Scams

As we get closer to Valentines, fraudsters will "up their game" targeting people online.

So here are some tips to avoid romance fraud:

- Avoid sending money to someone you've never met in person.
- Photos may not be genuine.
- Stay on the dating sites messaging service until you're confident the person is who they say are and then meet in a public place.

Additionally, why not view this quick video from Kent Police and featuring Sophie Day one of our Fraud Coordinators talking about how to avoid fraudsters using romance scams to target the people of Kent during the cost of living crisis.
