

Best Kept Village Report 2016

Ashendon

The graveyard was well maintained and the War Memorial within the church grounds was neat and tidy. The recreation ground is a good area with vehicle parking within the ground. The newly installed MUGA situated to the rear of the Pavilion will be of great benefit to the youth of the village. The children's play area had good equipment of wooden construction with a new small apparatus in the foreground of the area.

A notice board nearby contained information relating to the National Playing Fields Association contacts. The notice board by the Village Hall displayed the BKV competition notice and the remaining content was newsworthy. Boughtons Peace, a green space area next to the church boundary has a bench installed. The village pump was good and its surroundings maintained.

The village hall surrounds were tidy and it was noticed that a wall mounted AED Defibrillator had been installed. The Hundred Inn frontage was clean and tidy. The bus shelter is of solid wooden construction and tidy.

The village had a good community feel and was litter free.
