Another great Finals Day where the standard of play was high and matches very close. As one person commented "Who needs to go to Leamington when you can see high class bowls here". The weather was kind, the bring and share tea delicious, and the chat between bowlers and friends also enjoyed.

Congratulations to everyone who took part, please check out the Photo Gallery 2024 for photos of the Winners. Thanks to Steve Davison for being our Finals Day photographer.

Many thanks to Marcia Smurthwaite for making sure the competitions ran smoothly and to all the Markers.

As this year's bowling season draws to a close we can look forward to some great games in 2025.
