12. PUBLIC FORUM

The Chair reported that a portrait of the King, that had been acquired by the Parish Council, would be displayed in the Committee Room.

Mr Ball congratulated Councillor Bettley-Smith on his appointment of Deputy Mayor. He also wished to thank the Chair, on behalf of many residents, for his significant contribution in resolving the flooding matters on Checkley Lane. The Chair added that there were others involved in this successful outcome, but it was especially helpful that the County Councillor was engaged in the process.

Finally, Mr Ball reported that he considered the changes to the frequency of meetings of the Parish Council to be a positive step in making improvements and reducing stress.

13. REPORTS

The Parish Council received the following reports:-

(i) The Chair

- Councillor Bettley-Smith advised that, in the interests of transparency, Members should know that, along with other Borough Councillors and a County Councillor, he had been reported to the Monitoring Officer by Councillor Drakakis-Smith, and as Chair of the Thistleberry

Residents Association, for various reasons in relation to their membership of the Walleys Quarry Liaison Committee.

In response, the Monitoring Officer had concluded that he had seen no evidence to warrant an investigation into the complaints raised, therefore to take this matter further would not be an efficient use of public resources. The County Council Monitoring Officer had reached a similar view in relation to the County Councillor.

- Councillor Bettley-Smith reported on a letter received from the MP regarding Doddlespool Hall Farm, which included the details of a meeting held with the Environment Agency's Area Environmental Manager (Mr Glasgow). An order had been issued for the removal of the illegally dumped waste on the site by 8th September 2024. The Chair concluded that action was continuing to be taken at the land at Doddlespool Hall Farm. However, more could not be shared as we were within a General Election period.
- Finally, the Chair reported on various meetings with external organisations in which he had been involved, to resolve the flooding issues on Checkley Lane.

(ii) The Deputy Chair

Councillor Daly reported that he had no updates for this meeting.

(iii) The Clerk

- The Clerk reported on a notification received from Staffordshire Highways that work had been completed to resolve Drain Flooding at Checkley Lane, Winehill.
- Mrs Clough had also received a message from a resident regarding speeding tractors and an incident involving the property of her grandfather, which had been damaged. The Parish Council would again highlight this matter in the Newsletter.

At this juncture, Councillor Karling left the meeting.

- Finally, the Clerk reported on correspondence received from a resident over the perceived lack of acknowledgement of Councillor Drakakis-Smith's involvement in the Footpaths project.

The Chair responded that the Councillor had been thanked for her valuable contribution at the 2023 Parish Meeting, along with Councillors Berrisford and Owen. Councillor Drakakis-Smith's involvement in the installation of a kissing gate didn't feature in this year's report because at the time of the Parish Meeting, the work hadn't yet taken place. Furthermore, since May 2023, Councillor Drakakis-Smith hadn't been a member of the Footpaths Working Group, however, her valuable contribution to any work undertaken, had been acknowledged at all stages, and would continue to be acknowledged.

(iv) County Councillor and Borough Councillors

The Chair reported that the County Councillor and Borough Councillors would not be presenting reports to the Parish Council during the General Election period.

He added that Councillors Simon and Gary White had recently resigned as Borough Councillors, and that the election for their replacements for the Madeley and Betley Ward, would be held on 4th July 2024.

(v) Representatives on Outside Bodies

There was nothing to report from Members on outside bodies.

At this juncture, Councillor Karling returned to the meeting.

14. D-DAY CELEBRATIONS

In Councillor Owen's absence, Members noted that 25 signs and a flag would be placed around the Memorial Garden to recognise D-Day, along with red, white and blue lights in the trees.

RESOLVED

That the report be noted.

At this juncture, Councillor Head left the meeting.

15. PLANNING MATTERS

The Parish Council considered the following planning matters:-

- (i) Application Number 24/00329/FUL - Proposed single storey extension. Little Owls Barn Deans Lane Balterley Crewe Cheshire CW2 5QH.

Councillor Watkin had studied the plans submitted and circulated them to the Members for their consideration.

Councillor Head returned to the meeting.

RESOLVED

That the Parish Council has no objections to this proposal.

(The Parish Council was unanimous in its decision, as the Councillor who abstained (Councillor Head) wasn't present for the discussion).

- (ii) Application Number 24/00305/FUL - Alterations to the existing rear extension, new single storey rear extension and new porch, 19 Betley Hall Gardens Betley Crewe Staffordshire CW3 9BB. Councillor Ecclestone declared a personal interest in this application as he had a cordial relationship with the applicant. He took no part in the discussions or voting thereon.

Councillor Head explained the details of the application. Members expressed concerns over its aesthetics, which involved replacing existing tiles to composite wood effect timber.

RESOLVED

**The Parish Council has no objection to this application, however several Members were concerned about the composite wood effect timber cladding, as they considered it not in keeping with the properties in the immediate area. Therefore, if the Borough Council is minded to give permission, the Parish Council requests the Borough to consider the suitability of the material in the context of the neighbouring properties.
(There was one abstention from this decision).**

16. FOOTPATHS WORKING PARTY

Councillor Berrisford updated the Parish Council on work completed to date by Members of the Footpaths Working Party.

She was delighted to report that landowners had given their permission, to enable a fully gated route from Cricket Club to opposite the Hand and Trumpet. Furthermore, earlier today she had received verbal notification of a donation to install another gate.

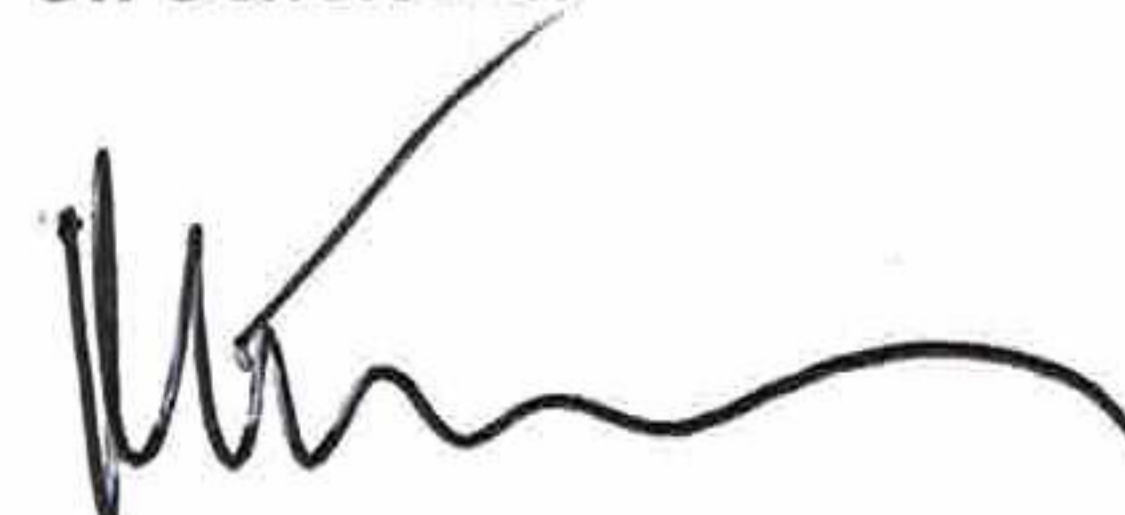

Councillor Berrisford and the Members of the Footpaths Working Party were thanked for their ongoing excellent work on this project.
