* The Guildhall is owned by the Parish Council (gifted, so no purchase price) but in Trust to Cound Guildhall Management Committee who insure it for all risks.

** The Clerk investigated the possibility of insuring the War Memorial for all liabilities in May 2018. Came & Co said that most Parish Councils only insure 3rd party, which is covered in our standard policy. The Parish Council considered a quote for fully comprehensive insurance to be prohibitively expensive, at circa £300 per annum.
