PROPOSED TEMPORARY CLOSURE OF DRAKE'S LANE, CHESELBOURNE

I have received an application from Modulek Ltd to close Drake's Lane, Cheselbourne outside Cheselbourne Village School (in both directions), a distance of approximately 80 metres. The closure has been requested to allow Modulek Ltd to provide a safe working area to enable a crane to be positioned on the road to lift 5 building modules in to position at Cheselbourne Village School. These works are programmed to commence from 07:00 until 19:00 on 6th August 2024.

Modulek Ltd will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 18th July 2024.
