Councillor Drakakis-Smith voted against the approval of the Minutes and objected specifically to Minutes 5.1; 8; 9; 11; 12; 13.1; 13.3; 14; 16 and 17.3. She stated that this was due to accuracy and context.

5. URGENT ITEM OF BUSINESS

The Chair wished to raise an urgent matter at this stage of the meeting, which related to a report published in the 'aboutwrinehill.blogspot.com'.

The Clerk outlined that in the Blog, it was stated that Councillor Bettley-Smith had "expressed sentiments that suggested the issue [investigation into a breach of the Code of Conduct by a Councillor] might have been preventable if the Parish Council had a policy to manage internal disputes". (Please refer to the Appendix to these Minutes for details).

The Chair clarified that he had not made this statement, and the Clerk and other Members of the Parish Council confirmed that they too, had not heard him make this statement.

The Chair added that he had received several complaints from Members of the Public about the aboutwrinehill.blogspot and further confirmed that this Blog was entirely independent from the Parish Council. This confirmation was corroborated by Councillor Drakakis-Smith, the author of the Blog, who confirmed that she wrote the Blog in a personal capacity, and not as a Member of the Parish Council.

A Member of the Parish Council expressed concerns that any comments submitted to the author of the Blog (via the Blog website) which questioned the factual accuracy of the contents of its reports, were ignored and not published.

6. PUBLIC FORUM

The following matters were received by Members of the Public:

(i) Notice Board – Hand and Trumpet

Thanks were expressed to Councillor Hales for repairing the Notice Board at the Hand and Trumpet. Councillor Hales had effected the repair, and the replacement glass had been purchased by a Member of the Public who wished to remain anonymous.

(ii) Broadband

Further to a question on the progress of an improved broadband service, the Chair confirmed that this matter had been raised at the Borough Council meeting and agreed that this would be placed on the agenda for further consideration in September.

Mr Griffiths, former Clerk and former Responsible Financial Officer, raised the following:-

(iii) Independent Auditors Report

Mr Griffiths stated that if any Members of the Parish Council or Members of the Public had queries relating to the accounting period before the new Clerk was employed, then he would be happy to help.

(iv) Accounting Statement 2023-2024

Mr Griffiths referred to the objections recorded by Councillor Drakakis-Smith at the last Meeting in relation to the Accounting Statement, and asked for the reasons for her objections. Councillor Drakakis-Smith was unable to recall the reasons for her objections and was asked to submit a report to the next meeting, to answer Mr Griffiths' questions.

At this juncture, Councillor Bullock left the meeting.

(v) Rural Runabout

Mr Griffiths wished to publicly recognise the importance of the contribution of the Chair, Deputy Chair and residents of the Parish, who played a significant role in ensuring the survival of the Rural Runabout Scheme, during a very difficult period.

RESOLVED

That the Parish Council formally appreciates the measures taken to ensure the survival of the Rural Runabout.

Mr and Mrs Ball referred to the following matters:-

(vi) Accounting Statement 2023-2024

In relation to Minute 6(iv), Mr Ball stated that he too, would be interested to hear of the reasons for Councillor Drakakis-Smith's objections to the Accounting Statement.

(vii) Notice Board at Hand and Trumpet

Mr Ball also thanked Councillor Hales for repairing the Notice Board at the Hand and Trumpet. He added that Councillor Hales had not yet received an apology for personal remarks made by Councillor Drakakis-Smith, which he considered to be insulting.

At this juncture, Councillor Bullock returned to the meeting.

(viii) AboutWrinehill.Blogspot

Mr Ball referred to recent comments posted on the Blog which was published 7 days before the Meeting of the Parish Council (20th June 2024), which related to statements made by Members of the Public at the Annual Parish Meeting (please refer to the statements appended to the Minutes of the Annual Parish Meeting). The Blog reported that the statements were far from accurate or correct. Mr Ball asked Councillor Drakakis-Smith for confirmation on what elements of the statements she considered were inaccurate. Councillor Drakakis-Smith was unable to recall the content of the statements, therefore she was asked to submit a report to the next meeting.

At this juncture, the Chair reaffirmed advice received from the Monitoring Officer, if the majority of the Members of the Parish Council present, voted to say the Minutes were a true and accurate record, then they were a true and accurate record and could be relied upon in a Court of Law.

Mrs Ball continued to refer to the Blog dated 20th June. She requested that Councillor Drakakis-Smith provided evidence to support her allegations that the statements made by the two Betley residents and the former Clerk were inaccurate or incorrect. Mr and Mrs Ball added that if Councillor Drakakis-Smith was unable to provide such evidence then they wished to see a public apology published in the Blog, and the Parish Newsletter.

Finally, Mrs Ball asked Councillor Drakakis-Smith to reconsider her position on the Parish Council. Councillor Drakakis-Smith replied that she had been asked to be a Parish Councillor so she would not reconsider her position and would not be resigning.

RESOLVED

That Councillor Drakakis-Smith to produce a written response to the matters raised by Members of the Public (detailed in the Minutes above), for consideration at the next meeting of the Parish Council.

11. SANDY CROFT

The Chair reported that correspondence had been received regarding the use of Sandy Croft to support private businesses.

The Chair reminded Members that a decision had been taken, when Sandy Croft reopened to the public, that a 'light touch approach' would be adopted and rules only developed to meet specific issues. This had occurred in the early stages when teenagers were using the area after dark and causing a disturbance.

He added that complaints had also been received reporting that dog training was taking place, and this was causing concern for parents with toddler and babies, parking difficulties and access restrictions for users of wheelchairs.

At this juncture, the Deputy Chair declared a potential interest in this matter, as the organisation currently using the Sandy Croft for dog training purposes, could be a client. Councillor Daly therefore took no part in the discussion or voting.

RESOLVED

That commercial activities should not take place on Sandy Croft unless the permission of the Parish Council has first been obtained.

12. WILDLIFE AND COUNTRYSIDE ACT 1981 – SCHEDULE 14 S53 APPLICATION TO UPGRADE PUBLIC FOOTPATH 20 BETLEY PARISH TO BRIDLEWAY STATUS

Members considered a letter received from Staffordshire County Council, Legal Services to upgrade public footpath 20 to bridleway status. Any comments were required to be submitted by 18th July 2024.

RESOLVED

That the following comments be submitted to Staffordshire County Council:-

- 1. The Parish Council was of a view in 1992 that the footpath should not be upgraded to a bridleway as, at that time, there was no evidence to support the footpath being a bridleway. Some 32 years later that was still the view of the Parish Council. Further justification for this point of view being that the footpath had not been used as a bridleway since the evidence was submitted in 1992.**
- 2. The Parish Council wishes to rely on the evidence that the Parish Council has already submitted and the Parish Council also wishes to rely on the evidence submitted by others that formed an annex to the original report that supports Footpath 20 not being upgraded to a Bridleway.**
- 3. The Chair moved to the Parish in 1992 and since that time, until the 10th November 2023, the Chair of the Parish Council is not aware of Footpath 20 being used as a Public Bridleway. It is believed that there may be an element of confusion on the part of the Bridleways Association given the number of people that live on Common Lane, have one or more horses, that they ride and exercise regularly.**

13. FOOTPATHS WORKING PARTY

Members received a report from the Footpaths Working Party.

Councillor Daly reported that the competition had been very successfully received with school.

Councillor Drakakis-Smith asked for additional information and agreed to write to the Clerk on this matter.

RESOLVED

- (1) That the report be received**
- (2) That the Parish Council extends its sincere thanks to Councillor Berrisford for the significant work she has undertaken to secure donations.**

APPENDIX

recognize that the Clerk and the Chair play crucial roles in overseeing procedures at meetings to ensure that the Council and members operate within the bounds of the law and maintain the integrity of the institution. Effective adherence to Council policy and rules is essential to prevent any potential issues and to uphold the Council's reputation and legal compliance. Thus residents might wonder how events had reached the level of toxicity which ended in a formal hearing.

On this occasion, the Chair, Councillor Bettley-Smith, expressed sentiments that suggested the issue might have been preventable if the Parish Council had a policy in place to manage internal disputes. The absence of such a policy raises questions about the Council's approach to handling conflicts. It is important for the Parish Council to account for its decisions and actions to foster transparency and accountability. Members of the Council might benefit from considering how their actions impact their wellbeing and the wellbeing of the community. Upholding honesty and truthfulness is essential for building trust and ensuring effective governance. The concept of perception as reality, as frequently stated by the Chair, is only valid when that perception accurately reflects the truth; otherwise, it risks becoming self-deception.

Given the numerous challenges and events at both national and local levels over the past five years, it is understandable that many people have experienced angst, anxiety, mental trauma, and stress. Determining the specific cause of these feelings can be complex. It raises the question of whether these emotions are solely due to recent events within the council occasioned, we
